Bk. "EASTCROFT". Reverting to your letter of the 19th ultimo,  
I have now to inform you that I am in receipt of one from  
the Society's Surveyors at Genoa, from which it would appear  
that this vessel has now become the property of Mr. A. Magnana  
fu Bde. of that port, and that he desires to take the vessel  
P.T.O.

from St. Nazaire to Genoa where he proposes to carry out the  
requirements of the S.S. No. 2 now so long overdue. The  
Committee, who have had the case before them to-day, have,  
in the special circumstances, agreed to meet the Owner's  
wishes on the distinct understanding that the vessel goes  
direct to Genoa in ballast from St. Nazaire.
