London

H.

Sir,

In compliance with the request contained in your letter of the 9th inst., I respectfully beg to return to you herewith Copenhagen Report No. 2822 on the Iron Bk. "East Croft", which you were good enough to send me with your letter of the 22nd ult.

Nothing further has taken place with regard to this vessel, and I have not been called upon to survey her as yet. She appears to be laid up at St. Nazaire and I understand from information received a few days ago at the Shipbroker's office at St. Nazaire, that it is not known what will be done with the vessel.

I am, Sir,
Your obedient servant,

Enclosure.
