Dear Sir,

In connection with our report No. 4332 on the steamer "Agnes" we have to inform you that the vessel is still laid up at Elsinore, but it is the owners' intention to have the survey completed before she leaves, and we should therefore be glad to receive particulars from the first entry report for guidance in connection with eventual drilling of the shellplating.

I am, Dear Sir,

Yours faithfully,

*A. O. Fubich.*
