Mr Secretary

Lloyds Register of Shipping

2 White Lion Court, Cornhill EC

Dear Sir

I am in receipt of your favor of yesterday, and as there is every probability of the Committee being disposed to entertain *Labonas*' Claim to be continued *et* for 9 years from 1879 we will (providing we do not sell her as she stands) do the whole of the repairs suggested as necessary by your Head Surveyor Mr Davey, and meantime the vessel will remain at Plymouth

Yours truly

Johnson Carr
