18th June, 1915.

Dear Sirs,

I have to acknowledge the receipt of your
S. telegram of the 3rd instant, as follows:-

"ARMONIA is under survey shell measured to light line
"thickness practically same as midship section details
"measurements follow by post".

I have also received your letter of the 3rd
instant, with the results of the drilling of the shell plating
in this vessel, and await the receipt of your report on the
completion of your present survey in the usual way.

I am, Dear Sirs,

Yours faithfully,

Secretary

The Surveyors,

GENOA.
