1st June, 1915.

Dear Sirs,

I was duly favoured with your letter of the 28th ultimo, respecting the case of the Steamer "ARMONIA" which is now at Genoa, and for the purchase of which you are in negotiation; and with regard thereto, I am directed to state that it would be contrary to the Committee's practice to undertake the Second Special Survey No.3 of this vessel upon the request of anyone other than the actual Owner of the steamer.

With respect to your reference to the cases of the other vessels mentioned by you, I need only say that no special instructions were issued to the Society's local Surveyors in connexion with the Special Survey No.1 of your steamer "DELMIRA".

I am, Dear Sirs,

Yours faithfully,

Secretary.
