Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.

1st June, 1915.

Dear Sirs,

I have to confirm the following telegram which
D. I sent to you today, viz.:-

"ARMONIA" is vessel under your survey? If so,
send results of drillings when obtained."

With reference to the above, I have to explain
that it is stated that the vessel is being sold on the
basis of her passing the Second Special Survey No.3, and
receiving the Society's classification, and with regard
thereto I have to request that you will let me know how
the case stands, and that you will forward the results of
the drillings, and particulars of the survey as soon as
you are in a position to do so.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

GENOA.
