

S.S. "ARMONIA"

Submitted the Genoa Surveyors and the Owner be advised in accordance with the endorsement dated 31st December, 1914.

The Surveyors should be requested to carry out this survey and furnish particulars of scantlings &c. on a first entry form, and of the 2nd.S.S.No.3 on forms 8 & 9.

If the plans of the vessel are obtainable they will be forwarded for the information of the Surveyors later.

To facilitate the survey of the machinery, the Owner should be requested to obtain plans of the boilers showing the scantlings, and particulars of the diameters of all the shafting, and forward the same to this office.
