Dear Sir,

S.

With reference to the conversation which the Chairman and Deputy Chairman of the Society had with your goodself yesterday, respecting the survey which you desire to be carried out at Talcahuano on the steamer "ARMONIA" with a view to the classification of this vessel in the Society's Register Book, I beg to confirm my telephone message this afternoon that in the event of the survey being undertaken by a Surveyor to be specially sent out from this country for the purpose it is estimated that the cost of the survey, including expenses, would be from £700 to £800 (not less than £700), provided the actual survey of the steamer at Talcahuano does not occupy a period of more than four weeks.

I am, Dear Sir,

Yours faithfully,

Assistant to the Secretary

- Kerr, Esq.,

Messrs. Balfour, Williamson & Co.,
