THE SECRETARY,
Lloyd's Register of Shipping,
71, Fenchurch St.,
E.C.

Dear Sir,

I forward you, by hand, the following drawings of the Steamer "Armonia", about which we have had some previous correspondence:-

- Rigging plan
- Deck Plan (4 in number)
- Midship Section
- Stern Post & Rudder
- Pumping Plans (3 in number)

Hoping these plans will be sufficient to enable you to answer us if it is possible to have this steamer classified by Lloyd's, sending your Surveyor from Buenos Aires to Talcahuano, under our cost.

I remain, dear Sir,

Yours faithfully,

L. Barre

Lieut. Commander, C.N.
