

LEGACIÓN DE CHILE. **LOYD'S REGISTER**
LONDON.
13 DEC 1914

LONDON, 14th December, 1914.

THE SECRETARY,
Lloyd's,
ROYAL EXCHANGE.

Dear Sir:-

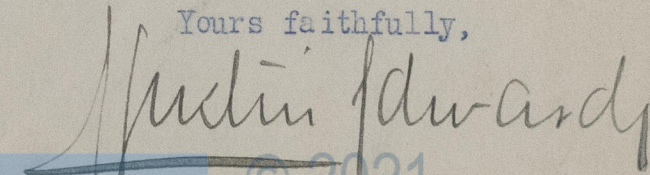

The Chilean Government desires to make use of the Chilean steamer "Armonia", at present owned privately, in the exportation of nitrate of soda, and it becomes necessary for insurance purposes that it should be classified at Lloyd's.

In view of the urgency of the matter this Legation, complying with instructions received and confirming what was verbally explained to you by our Naval Attaché, begs to ask if it would be possible for Lloyd's to nominate specially an engineer to perform the survey in Talcahuano.

I need not add that this Legation would be greatly obliged for any facilities which Lloyd's might accord in the matter.

I am, dear Sir,

Yours faithfully,
