18th July, 1901.

Sir,

I have to acknowledge the receipt of your letter of the 12th instant respecting the certificate of test issued by you in the case of an anchor intended for the S.S. "ETNA". I note that owing to some misunderstanding you have been without the necessary forms of certificates of test authorised by the Committee to be used by the Society's Surveyors. I have now had a supply of these forms sent to you, both for anchors and chains, and I have to request that you will be good enough to use only these authorised forms in all future cases.

I am, Sir,

Your obedient Servant,

Secretary.

Jules Vence Esq.,
MARSEILLES.
