Dear Sirs,

We duly received your favour of the 11th instand in reply we beg to inform you that our S/S -ETNA is actually travelling in the black sea direct to West-ITALY.

However we would prefer to have the anchor in question tested at GENOA, provided the Committee of the Lloyd might charge some of its friends there for said purpose. If this will be not possible, we would prefer to await the opportunity of our steamer going to one of the ports named in your list.

We remain, dear Sirs,

Yours truly
