16th November, 1900

Dear Sirs,

Etna

With reference to the classification in the Society's Register Book of your steamer ~~ETNEA~~ I beg to remind you that in August last this vessel was supplied with an anchor to replace one lost, but that upon examination of it by the Society's Surveyors at Genoa, no test marks were found and it was understood to be intended to have the anchor tested and the certificate of test submitted for inspection by the Society's Surveyors at Cardiff, for which port the vessel was sailing.

No steps, however, appear to have been taken in the matter, and under the circumstances I have to request that you will kindly let me know what arrangements you have made to have the anchor tested as required, in order to entitle the vessel to the figure "1" for equipment in her class.

I am, Dear Sirs,

Yours faithfully,

Messrs. La Societa Anonima Agrumaria Etna,
CATANIA. Sicily.

Secretary.
