31st., March, 1900.

Dear Sirs,

I beg to acknowledge the receipt of your letter of the 26th. inst., intimating that repairs have been effected to the steamer "ETNA" in accordance with the suggestions made by the Surveyors whom you were good enough to appoint to attend to this case.

I shall, however, be much obliged if you will forward a copy of the reports for the information of the Committee.

I am, Dear Sirs,

Yours faithfully,

Secretary.
