5th August, 1896.

Gentlemen,

I am in receipt of Mr. Fowling's letter of yesterday's date respecting the case of the Bk. "GALATHEE", and with regard thereto I have to acquaint you that a letter was received yesterday from the Society's Surveyor at Bordeaux in which it was stated that the Owners had given instructions for the Master in order that a portion of the Special Survey No. 3 may be carried out while the vessel is at your port

I shall therefore be glad if you will endeavour to arrange for this to be done.

You will be so good as to let me know as soon as any further arrangements have been made in the matter.

I am, Gentlemen,

Your obedient Servant,

pro Secretary.

The Surveyors,

WEST HARTLEPOOL.
