11th August, 1896.

Sir,

With reference to your letter of the 1st instant respecting the case of the Bk. "GALATHEE", I have to acquaint you that I am in receipt of a letter from the Society's Surveyors at West Hartlepool, in which it is stated that the vessel is now at the coal tips loading, and that it is not practicable to proceed with the ~~Harbour~~ Survey.

I shall therefore be glad if you will ascertain from the Owner and let me know when he expects to be in a position to attend to this matter.

I am, Sir,

Your obedient Servant,

pro Secretary.

A. Vandereruyce Esq.,
