

TRANSLATION.

I have duly received your favour of the 20th instant.

The "DECAPOLIS" is now at Genoa as my property, although I am trying to sell her if I find it convenient; but if not, she will complete the Special Survey No.3 before sailing again, as we have already agreed to previously. The vessel is well preserved and fit to go to sea just as she is without any repairs, the survey No.3 having been nearly completed last year: therefore she can well remain in your Register Book.

I take opportunity to wish you the compliments of the Season, a merry Christmas, a good ending and a better beginning for the next year, etc.
