14th May 1907.

Gentlemen,

H. With reference to your report No.3764 on the bk. "DECAPOLIS", I have to acquaint you I am in receipt of a letter from the Society's Surveyors at Buenos Aires in which they state the vessel discharged at an up river port and no arrangements could be made for the completion of the Third Special Survey No.3 in the River Plate.

I have therefore to request that you will ascertain from the Owner and let me know what definite arrangements will now be made for completing the inspection in question, in view of the fact that the year of grace allowed by the Society's Rules will expire at the end of the present month.

I am, Gentlemen,

Your obedient Servant,

Secretary

The Surveyors,  
Genoa.
