

TRANSLATION.

I, the undersigned, am the Owner of the Bk. "DECAPOLIS",
and beg to ask your Committee to grant me the year of grace
as usual to pass the survey, as the vessel was submitted to
the Special Survey No.2 at Genoa in 1903.
The "DECAPOLIS" is on a voyage from Cadiz to the River Plate
and thence she will go on another voyage.
It is understood that at the end of the year of grace the
vessel will be brought back home to a port in the Mediterranean
so as to pass the Survey No.3. The "DECAPOLIS" is in a good
condition both as regards hull and rigging. Hoping you will
be so kind as to grant my request. I am, Etc.
