LONDON

1st December, 1931.

Sir,

With reference to Glasgow First Entry Report No. 51965 being forwarded to-day on the M.V. "CONCH", I beg to state that all the Rule requirements have been carried out in this case, with the exception of the anchor trials and the full power trials, which are arranged to be carried out on the 8th current.

As already stated, the Builders desire the Certificates to be in their possession so that they may be handed over on the day of the trial trip, and I shall be glad if you will be so good as to forward them so that this may be done. The Certificates will, of course, not be issued unless all requirements are satisfactorily completed.

I am, Sir,

Your obedient servant,

J. L. Warlow

Secretary to the Glasgow Committee.

The Secretary,

LONDON.
