RETAIN

Dear Mr. Scott,

I was very interested to read ^{the} further correspondence which accompanied your letter of yesterday's date relating to the cases of the "CHARLES PRATT" and "F.Q. BARSTOW".

I have again carefully examined the report I had the pleasure of submitting in November last, and would most respectfully say that I am more than ever convinced that the conclusions reached were justified by the evidence, and I should be unwilling to make the smallest modification.

Yours faithfully,

Louis D'Esly
