Reference

Dear Sir,

In reply to your classing letter of yesterday respecting the steamer "CLEARTON", Middlesbrough First Entry report No. 10491, I beg to state that the thickness of the stiffeners on No. 44 bulkhead is as approved and should have been given as 12" x 3½" x 3½" x .64 channels.

I am, Dear Sir,

Yours faithfully,

The Secretary,

London.
