Received from Chief Ship Surveyor

by Chief Ship Surveyor

VESSEL'S NAME

"OVATELLA".

Rpt.

Cpn.

No. 11051.

Remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

(“The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement.”—Extract from Sub-Committee's Report, 24/5/92.)

To complete the Special Survey the steering arrangements and windlass require to be tried.

The vessel is now laid up at Odense and it is stated this will be done at the trial trip before the vessel is handed over.

No action is necessary pending the completion of the Survey as stated.
