Dear Sirs,

I beg to acknowledge the receipt of your letter of the 29th instant respecting the steamer "LEBUWARDEN" the contents of which have been noted and conveyed to the Society's Surveyors at Liverpool.

With regard to the question of permanent repairs to the bunker bulkhead, this matter will receive consideration in the light of the Liverpool Surveyors' report, as you suggest, following their examination of the vessel in March next.

Thanking you for your attention.

Yours faithfully,

Clerk to the
The General Steam Navigation Co. Ltd., Classification Committee.
