Received from Chief Ship Surveyor

28 AUG 1939

EL'S NAME "ORNSAY" Rpt. Sou. No. 17511.

remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

The Southampton Surveyors report this wood yacht examined afloat and on account of damage whilst racing, the main mast renewed and minor repairs carried out. A mast temporarily fitted, has now been unshipped and a new mast fitted.

It is submitted the vessel is worthy to remain as classed without fresh record of survey.

As now,
