6th September, 1933.

Sir,

In reply to your letter of the 1st instant in regard to Glasgow Report No. 53789 on the Steamer "CLAN MACNAB", I beg to acquaint you that the Surveyor states that the Owners desire that the drydocking which was carried out at Newport in February last shall be considered as complying with part of the requirements of the Special Survey No. 3.

If this is approved, it is suggested that the Newport Surveyors will be able to state whether in their opinion it will be necessary for the shell plating to be drilled.

I am, Sir,

Your obedient servant,

J. H. Warlow

Secretary to the
Glasgow Committee.

The Secretary,
LONDON.
