FREEBOARD REPORT on the "COULTARN"

It is submitted the freeboards given on the accompanying form being those required by the Tables merit approval, the same to be marked on the vessel's sides, inserted in the certificate of classification, and recorded in the Register Book, subject to an additional tarpaulin being fitted to the coal hatchway on the casing top.

The Surveyors should be advised that it is concluded that any sidescuttles fitted in the superstructures are of substantial construction and have hinged lead lights but they should confirm this and give particulars thereof.
