

M. V. "CELLINA".

SPARE GEAR.

- 1 bronze propeller blade
- 3 bolts for same
- 1 tail shaft

Main Engines.

- 1 cylinder liner
- 1 cylinder cover complete with valves, seats, springs, etc.
- 1 starting valve complete
- 6 exhaust valves complete. Exhaust valve seats.
- 1 induction valve complete.
- 1 safety valve complete.
- 3 fuel valves complete. 3 fuel valve stems. 6 fuel valve seats.
- 1 piston complete with rings, studs, etc.
- 2 sets piston rings
- 1 pair telescope pipes for piston cooling
- 1 pair main bearing bushes
- 2 main bearing studs & nuts
- 1 pair crank pin brasses.
- 2 bottom end bolts & nuts.
- 4 top end brasses.
- 4 top end bolts & nuts.
- 1 set coupling bolts for crank shaft.
- 1 set coupling bolts intermediate shaft.
- 6 pads for thrust block.
- 1 set of working parts for fuel pumps.

Main Compressor.

- 1 pair main bearing bushes.
- 2 main bearing bolts & nuts.
- 1 pair crank pin brasses.
- 2 bottom end bolts & nuts.
- 1 gudgeon pin bush.
- 1 complete set of piston rings
- 1 set of suction and delivery valves
- 1 safety valve spring for each stage.
- 1 complete coil for 3rd stage cooler.

Main bilge pumps.

- 1 set of suction and delivery valves.

Auxiliary Diesel engines.

- 1 cylinder liner, cover & jackets.
- 2 exhaust valves complete with springs, seats, etc.
- 2 exhaust valve seats.
- 3 fuel valves complete.
- 3 fuel valve stems.
- 1 induction valve.
- 1 safety valve.
- 1 starting valve.
- 2 crank pin brasses.
- 2 bottom end bolts & nuts.
- 1 gudgeon pin bush
- 2 main bearing bushes.
- 2 main bearing bolts & nuts.
- 1 piston complete with rings. 1 set of piston rings.
- 1 set of working parts for fuel pumps.

Auxiliary engine compressors.

- 2 crank pin brasses.
- 2 bottom end bolts & nuts.
- 1 complete set of suction and delivery valves.
- 1 cooling coil for 3rd stage cooler.
- 1 set of piston rings complete.

Pumps.

- 1 set of valves for ballast pump.
- 1 set of valves for bilge pump.

A quantity of assorted bolts & nuts. Lengths of pipe suitable for fuel, blast and starting air services, with unions and flanges.
