Lloyd's Register of Shipping.

Port New Orleans, La.

November 5, 1940

This is to Certify that I have

Surveyed the Steel Screw Steamer "DIPLOMAT" 8240 gross tons of Liverpool while afloat at this port for alteration to removal of ventilators on port side after deck, so that a deck cargo could be loaded.

and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report, stating that all repairs recommended by me have been completed to my satisfaction, and that I have Recommended that she be continued as classed A100A1 without fresh record of survey subject to the ventilators being replaced at Owners convenient opportunity.

being fit to carry dry and perishable cargo.

D. W. Murray

Surveyor to Lloyd's Register.

J. A. Lang

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly performed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Surveyors or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
