

WOKINGHAM COPY.

4th October, 1940.

Enclosure
Dear Sirs,

With reference to the case of the steamer "DAPHNE" ex "EOS", which has recently been under the inspection of the Society's Surveyors at Glasgow, I may say that they have received a request that certificates in respect of the surveys held should be forwarded to Messrs. Thomas H. Seed and Co. Ltd., as these are required for production to the Swedish Authorities.

I forward herewith a letter which has been addressed to Messrs. Thomas H. Seed & Co. and I shall be obliged if you will kindly hand this to them and explain that it is not in accordance with the Committee's practice to issue a certificate in respect of the survey in drydock at Glasgow, seeing that a Special Survey is overdue, but it is hoped that the enclosed communication will meet the case.

I am, Dear Sirs,
Yours faithfully,

The Surveyors,

NEWCASTLE-ON-TYNE.

Clerk to the
Classification Committee.
