SCOTSTOUN,

Lloyds Register of Shipping
GLASGOW.

No. 10 - Freeboard.

The above vessel, classed with your Society, has been
sent to the Chile Steamship Company, for whom we built two ships,
"O" and "CHUKY", some time ago, and it is desired to have an
increase of Freeboard by your Society on this vessel, as has also
been the case in the case of the same Norwegian Owners' vessel, the "IDA",
now completing now in Denmark, and we attach herewith the necessary
plans for so doing.

As a Norwegian owned vessel the Norwegian Authorities
have had been officially assigned as a matter of course, but as the
vessel will probably be trading out of Norway during her career it is
desired that Lloyds marks be assigned as well, and as the vessel will
leave this district immediately after Official trials next
month, we shall be glad if you will be so good as to expedite this
matter.

Yours faithfully,

BLYTHSWOOD SHIPBUILDING CO., LTD.
