RETAIN

Dear Sir,

I duly received your letter of the 17th instant, enclosing one from the Blythwood Shipbuilding Co., Ltd., respecting the first entry certificates of the Motorship "O.A. KNUDSEN", and with regard thereto I have to acquaint you that it would be in accordance with precedent in this Office to deal with the matter as desired. In this case, the first entry reports, together with a list of the outstanding requirements, should be submitted to the Glasgow Sub-Committee for Classification, with a view to the ship being classed subject to these requirements being complied with, at as early a date as is considered necessary to enable the classification certificates to be prepared in this Office.

I am, Dear Sir,

Yours faithfully,

Assistant to the Secretary.

The Secretary,

GLASGOW.
