

S.S. "O.A.KNUDSEN".

---

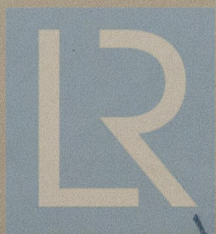

It is submitted the Glasgow Office be informed that it would be in accordance with precedent in this Office to deal with the matter as desired, in which case the First Entry Reports, together with a list of the outstanding requirements, should be laid before the Glasgow Committee, with a view to the ship being classed subject to these requirements being complied with, at as early a date as is considered necessary to enable the classification certificates to be prepared in this Office.
