SHIPPERS.

Dear Sir,

Enclosed you will please find the freeboard particulars for a steel screw steamer No. B. 375 proposed to be built by Messrs. P. Smit Jr. of this Port. The Builders desire to have a provisional assignment and they would esteem it a favour if you could cable the Summer Freeboard to which the vessel would be entitled to.

The plans are at present receiving consideration here, with a view to the vessel receiving the class \star 100 A1.

The vessel will be of the same dimensions as the above firm's original proposal for their Yard No. 375, but will be of different type.

I am, Dear Sir,

Yours faithfully,

2nd Floor
(Mr Pratt)

C. J. H.

The Secretary,

LONDON.
