Destined Voyage

If Surveyed while Building, Afloat, or in Dry Dock

Surveyors

Received from Chief Surveyors

ME Steel S.S. "WEST COBALT" Report Pld. No 545

For the CHIEF SHIP SURVEYOR and CHIEF ENGINEER SURVEYOR

cases which have to be submitted to the Classing Committee" the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case that the Classing Committee may have all the salient points presented in the endorsement.—Extract from Sub-Committee's Report, 245192.)

By

When due

The anchors have been tested by Surveyors to the American Bureau and the chains at Tipton, Sunderland, and Low Walker.

The kedge anchor has been dispensed with as a War Emergency Measure.

It is not stated whether a stream chain or wire has been supplied.
