Lloyd's Register of Shipping,

High Close, Wiltshire Road,

Wokingham, Berks.

Enclosure.

21st June, 1940.

Dear Sirs,

With reference to your letter of the 18th instant respecting the steamer "PROCIDA", it is noted that a longer time will now be available for survey work at your Port.

So far as classification is concerned this will not modify the instructions previously given you, except, of course, that the Special Survey for re-classification should be advanced as far as possible, but a separate letter has already been addressed to you as regards Loadline.

I return herewith the Certificate of R. I. Class, which was forwarded with your letter.

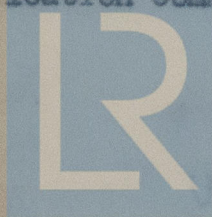

I am, Dear Sirs,

Yours faithfully,

Clerk to the

Classification Committee.

The Surveyors,
CARDIFF.
