

BOARD REPORT on the

Q.S.T.S. "Empress of Britain"

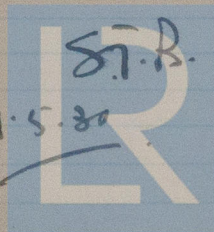

It is submitted the Freeboards given on the accompanying form, being those ^{corresponding to the approved extreme draught for all seasons of 32'0"} ~~required by the Tables~~, merit approval, the same to be marked on the vessel's sides, inserted in the certificate of classification, and recorded in the Register Book.

It is further submitted a copy of the freeboard computation be sent to the Board of Trade, and they be informed that, as the freeboards now assigned correspond to the subdivision load draught, it is concluded that no endorsement will be required on the freeboard certificate.

3 Plans to return
