

s.s. "PRERADOVIC" ex "RIOL"

Mr. Roberts, representing the Owners, Messrs. Baburizza & Co.Ltd., has called at this Office and stated that it is proposed to put the ship through survey for classification at Rotterdam during this week and next week.

It is submitted Mr. Roberts be reminded of his interview with the Chief Ship Surveyor and his Staff on the 17th April last when he was informed that the plans submitted for the consideration of the Committee were incomplete, and that further information would be required.

It is further submitted the Rotterdam Surveyors be informed as to the position and that the plans be forwarded to them, and they should in the first place obtain the necessary principal scantlings and submit them for the consideration of the Committee with a view to its being seen if the vessel is eligible for classification.
