Dear Sirs,

We beg to acknowledge receipt, with many thanks,
of the Hull Classification Certificates in respect of the three
new vessels, as follows:-

"CAPEL" , "NIGHT WATCH" , & "FLEMING".

With regard to the one in respect of the "FLEMING",
kindly note that since this vessel was handed over to the Owners
steps have been taken to obtain the same Net Registered Tons as
in the case of her sister vessel, the "CAPEL", i.e. 145²⁴/₁₀₀ .

We are, therefore, returning this Certificate to your goodselves
for amendment.

Yours Faithfully,

COOK, WELTON & GEMMELL LTD.
