(Date)

16th June 1937

I have to report that I have surveyed the

S S.

FLASHLIGHT

of

LONDON

on this date.

I have compared the arrangements on board the ship with those given in the original freeboard report and I have found them to be in agreement therewith or equivalent thereto, and the whole to be in efficient condition.

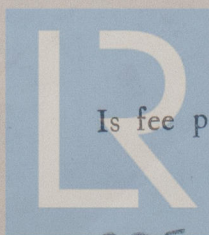

The S S 2nd No 1 is now completing and the vessel will be recommended to be continued as classed with fresh record of survey 6.37 and notation of S S Sld. No 1-37.

The freeboard marking has been verified and found to agree with the freeboards given on certificate No. 4761 dated 20th June 1933 which is returned herewith.
