ROTTERDAM.

Recd. 24.4.29.

23rd April, 1929.

Dear Sir,

With reference to the report on the steamer "BRITSUM", I beg to state that we have received information that the gross register tonnage of this vessel should be 5272.67 tons, instead of that given on the first entry report Rotterdam No. 18309.

The tonnage for the new steamer "FARMSUM" first entry report No. 18190, has been given as gross 5251.40 underdeck 5916.17 and net 3205.62, and I shall be pleased if you will kindly make this correct.

I am, Dear Sir,

Yours faithfully,

(sgd) R. Leeuwenburg.

The Secretary,

LONDON.
