Copy of letter from Messrs Donaldson Brothers, Limited,

Glasgow, to Scotts' S. & E. Co., Ltd.,

Greenock, dated 12th January, 1917.

~~XXXXXXXXXX~~ No. 510.

We have your letter of 5th inst. re omitting the intermediate bulkhead in the after 'tween deck.

Subject to Lloyd's approval, we wish this bulkhead left out, as we find for our special trades and the class of cargoes carried that it interferes with the working and stowage of goods.
