Sir,

Telegram to Rio de Janeiro,  
dated 14th October, 1941.

With reference to your letter of the 10th November to the Postmaster, Wokingham, I am directed by the Postmaster General to say that from the enquiries which have been made, it would appear that the above-mentioned telegram unfortunately failed during the course of transmission abroad. The failure and inconvenience occasioned in the matter is very much regretted. If you still desire that the message should be repeated this will be done; or alternatively, arrangements will be made to refund the charge to you.

I am, Sir,  
Your obedient Servant,
