S. Dear Sir,

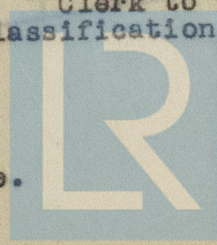

On the 14th October an NLT cablegram was despatched to our Office at Rio de Janeiro as per copy enclosed, but as no reply had been received up to the 4th instant, a further cablegram marked "2" was sent to the same Surveyor asking for an urgent reply.

On the 7th instant a cabled reply was received from Rio to the effect that our enquiry of the 14th had not been received, and in the circumstances, I shall be glad if you will kindly arrange for the matter to be investigated and for a repeat of the original cablegram to be sent to him as soon as possible.

I am, Dear Sir,
Yours faithfully,

Clerk to the
Classification Committee.
