

S.S. "CAPRERA".

Mr. Champness, of Messrs. Thompson
Graham & Co.Ltd., telephoned in connection with
the value of this ship.

It appears that he is interested in
the insurance of the vessel and is aware that she
has been under the inspection of the Society's
Surveyors at Rio de Janeiro for reclassification.

I explained to him that normally
the question of valuation would not fall within
the province of this Society, but suggested that
it would be advisable for him to write in officially
giving full particulars of the information he requires.
This he promised to do.
