

Lloyd's Register of Shipping,

Rua da Candelaria 80, 6th Floor,
(Caixa Postal 1678),

Rio de Janeiro, 30th November 1940

W. EAGLESOME,
ENGINEER SURVEYOR.

Dear Sir,

S.S. "CAPRERA" No 22207 in R.B. 1937.

With reference to my letter of 8th October last, I have to advise that this vessel is now alongside the works at Ilha do Vianna for the purpose of reconditioning and re-classification, a request having been received from the nominal owner Snr Pedro Brando, Manager of the Lloyd Nacional Soc Anon, which is associated with the Cia Nacional de Navegação Costeira. Further action being taken in the

matter. It is understood that the vessel is to be registered at this port.

I will be obliged if the midship section and drilling sheets be forwarded at the earliest opportunity.

I should add that no survey has been held on the vessel.

I am, Dear Sir,

Yours faithfully,

Ambrósio

The Secretary

London.
