E.C.3.

To the Surveyor at RIO DE JANEIRO

45/32

Vessel's Name

S.S. "CAPRERA"

No. in Reg. Bk. 22286

## QUESTION.

With reference to your letter of the March last respecting the above vessel, I shall be glad if you will kindly let me know whether anything has yet transpired regarding her disposal.

*AKD*

## ANSWER.

Date: 6th December 1935.

In October last Mr. Pedro Brando, the registered Owner, spoke to me regarding the repairs required to be carried out in order to reclassify her as the Italian Government were making enquiries with a view of purchasing her. It is however now understood that the business has fallen through as the method and terms of payment were not considered satisfactory.

In the event of negotiations being again opened up and the terms of payment satisfactorily arranged, I will at once inform you of the fact, at the same time asking for instructions as to the Special Survey which would be required for Reclassification.

*H. E. Luman*

This form is to be returned to the Secretary as soon as the information asked for has been filled in.
