Dear Sirs,

With reference to your First Entry Machinery Report No. 10004 in the case of the S.S. "LAURA" I have to request that you will state the number and area of the donkey boiler safety valves, the pressure to which they are adjusted, if they are fitted with easing gear, and if steam from the main can enter the donkey boiler, as these particulars are not given on the report forwarded to this office.

I am, Dear Sirs,

Yours faithfully,

Secretary.
