28th November, 1941.

S. Dear Sirs,

I duly received your memorandum of the 21st instant intimating that you are informed by Messrs. Everard & Sons that the General Examination, Boiler Survey and Annual Load Line Survey of their steamer "ASPERITY" will have attention as soon as possible.

In this connection, I am desired to point out that the General Examination and Boiler Survey are now considerably overdue and I shall be glad if you will inform the Owners that the Committee consider these matters should receive attention not later than the end of the year.

I am, Dear Sirs,  
Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
LONDON.
